

Program Summary Sheet

Program Name: Acts of Fellowship Facility Program

Purpose & Outcomes

The Acts of Fellowship Facility Engagement Program provides structured, faith-based engagement experiences designed to foster community connection, emotional wellness, and spiritual enrichment within residential and organizational settings. Each service level offers consistent, high-quality programming that promotes holistic well-being and meaningful fellowship.

Key Outcomes:

- Strengthened sense of community and belonging among participants
 - Improved emotional and spiritual wellness through guided experiences
 - Consistent, professional facilitation tailored to each facility's needs
-

Duration

Ongoing monthly service agreement with flexible renewal options. Engagements are scheduled weekly and monthly according to the selected service level.

Audience Served

Senior living communities, rehabilitation centers, and wellness-focused facilities seeking to provide residents and participants with uplifting, faith-centered engagement experiences that nurture connection, joy, and purpose.
